

Student Entitlement Statement

All students at St Paul's Way Trust School are entitled to high quality careers education, information, advice and guidance. In school, we will provide you with a range of opportunities to:

- **Develop aspirations** through internal and external programmes and in-class learning.
- **Be inspired** through mentoring and engagement with external providers in the form of conferences, workshops and workplace visits.
- **Succeed** through work experience and preparation for your future beyond school.

Students are to develop and reflect on their goals and use information obtained through the careers programme to help them make decisions about their future pathways and destinations.

All	At the end of your time at St Paul's Way Trust School, you will have:	• Identified the skills that employers look for and understood the link between subject learning and a range of careers. • Had access to the Careers Hub for impartial information, advice and guidance. • Had access to the Careers Library. • Attended regular career assemblies. • Had the opportunity to participate in a careers-related session or workshop, either in-school or during an external visit. • Had an encounter with at least two employers/employees, further education providers, college providers and higher education providers. • Heard from local and national providers about the technical education qualifications and apprenticeships routes available to you.
KS3	At the end of Year 7, you will have:	• Identified your personal qualities, interests and strengths. • Engaged in Science Summer School.
	At the end of Year 8, you will have:	• Identified the skills that employers look for and understand the world of work • Engaged in Science Summer School.
	At the end of Year 9, you will have:	• Engaged in Science Summer School. • Attended Parents Evening to help inform decisions on GCSE options. • Been provided with additional support on GCSE options through parents' evening, career talks and a pathways assembly. • Made an informed decision about your GCSE options. • Visited at least two higher education providers.
KS4	At the end of Year 10, you will have:	• Completed a formal work experience placement to gain first-hand experience of the world of work. • Attended an on-site careers fair involving a range of employers and institutions. • Visited at least one higher education provider.
	At the end of Year 11, you will have:	• Produced a CV and personal statement. • Visited at least one college/sixth form open day or explored other post-16 options. • Had the opportunity to participate in a mock interview to support your applications. • A SPWT Post-16 Careers Handbook and the opportunity to develop an Action Plan. • Attended parents' evening to help inform post-16 decisions. • Heard from local and national providers about the technical education qualifications and apprenticeships routes available to you.
KS5	At the end of Sixth Form, you will have:	• Heard from local and national providers about the technical education qualifications and apprenticeships routes available to you. • Completed a formal work experience placement to gain first-hand experience of the world of work. • Attended an on-site careers fair involving a range of employers and institutions. • Had the opportunity to request a mock interview to support your applications. • Had access to information on a range of post-18 options such as, apprenticeships. • Applied to university through UCAS with the support of the Higher Education Coordinator and CEIAG Manager (if you intend to go to university) • Visited at least one higher education provider and explored other post-18 choices • Attended parents' evening to help inform post-18 decisions
